CALLING ON ALL FEDERATED FARMERS MEMBERS

9AM-4PM (OR PART THEREOF)

WE WELCOME YOUR HELP

- Parking cars
- Greeting people as they arrive
- Guiding a walking group.

If you can help out please let us know. We can't be sure how many people will turn up, so the more hands we have on deck the better.

Parking: Cars will need to be parked in A&P show style in a pre-designated area. Please come with a safety vest.

Greeting guests once their car is parked: Everyone will come through the same gate. They need to be welcomed, given a name tag and linked into a walking group.

Guided walks: Every FARM DAY will have a guided walk around the farm. Groups will be kept small. Each farm walk will last about one hour. As the host your job will be to look after the group throughout the farm tour, tell some stories about how you farm and encourage the group to enjoy themselves. Your role is to be the face of farming. This is a great opportunity to build new friends in the non-farming community.

To help with one of these jobs, please contact:

Edwin Newport:-

Phone: 03 522 4325, or Email: ednewport@xtra.co.nz

Our hosts are David and Pauline Marshall:

213 Teapot Valley Road, Brightwater

David and Pauline and their sharemilkers, Miles and Sheryl Culling, milk 400 mixed breed cows.

The farm has very good environmental planting of trees, which is a great example of what can be done.

Valley flats and steeper slopes that dry out make up the milking area.

They will host a farm walk based around the environmental character of the farm and the views it offers.

We also hope to have other activities relating to farming for people to do, and animals to see and touch.

This is not a 'wander at will' farm tour. The public will be met at the gate, put into groups and escorted around the farm.

We need your help on the day to make FARM DAY a success. Please think about lending a hand. Contact will be made prior to the day with those who let us know they are available. If helpers arrive early the committee will designate areas where help is required.

NELSON

FARM DAY

SUNDAY, 28 MARCH 2010

Federated Farmers is holding another New Zealand-wide open FARM DAY this year. The Nelson FARM DAY will be held at David and Pauline Marshall's farm, Brightwater.

FARM DAY will be a great opportunity to further the relationship between town and country. It gives urban people, particularly parents with children, an opportunity to come out into the country and see what happens on a farm. We look forward to being able to build stronger relationships with people who would not normally venture onto a farm.

Farm Day aims to promote New Zealand's world class agricultural sector, with a strong focus on the environment under this year's theme, The Green Farmer.

Our two take home messages from the day are simple and clear. We want people to remember that:

- New Zealand farmers grow healthy and safe food
- New Zealand farmers care about the environment.

I am asking all members to hang page two of this flyer in a shop window, take it to their local school, or pass it on to a non-farming friend.

We cannot run this day without your support. If you could help out, it would be great. It is clear that the more helpers on deck, the easier it will be to pull off another great event.

I hope to see you on March 28th.

Many thanks

Edwin Newport
